GIRLS SERVED EACH WEEK/NIÑAS ASISTEN AL PROGRAMA CADA SEMANA

GIRLSTART PARENTS,

We hope the Girlstart girl(s) in your life had fun exploring science, technology, engineering, and math (STEM) this year in Girlstart After School. We had a fun year watching them grow to be more connected, brave, and resilient each week as they tried new hands-on STEM activities.

In the fall, girls explored the engineering design process as manufacturing, electrical, aerospace, and environmental engineers. This spring, they discovered more about the earth and how humans impact it as petroleum engineers, geologists, soil scientists, environmental scientists, wind energy engineers, and civil engineers. Each semester, we also took time for girls to dream big and think about their short and long term goals for middle school, high school, and college as well as their future career and family.

It's a privilege to have every Girlstart girl in our After School program, and we are grateful they chose to participate with us each week. We hope they had a wonderful experience this year; feel free to connect with Girlstart on social media to share your stories with us and others! Don't forget to also check out our online resources and weekly hands-on activities.

Thank you and have a great summer!

QUERIDOS PADRES DE FAMILIA,

¡Esperamos que sus niñas se hayan divertido en Girlstart! Fue muy divertido para ellas explorar las ciencias, tecnología, ingeniería y matemáticas (STEM, por sus siglas en inglés) este año. A nosotras nos encantó ver cómo las niñas se hicieron más perseverantes y valientes cada semana al intentar nuevas actividades en STEM.

En el otoño las niñas exploraron lo increíble que puede llegar a ser la ingeniería, siendo no sólo ingenieras de fabricación y del medio ambiente, sino también aeroespaciales y eléctricas. Esta primavera descubrieron más acerca de la tierra y el impacto que tenemos los humanos como ingenieros petroleros, civiles, de energía eólica, geólogos y científicos del medio ambiente. También nos aseguramos de crear un espacio para que las niñas soñaran y pensaran en sus metas de corto y largo plazo para la secundaria, preparatoria y universidad, al igual que en su carrera y familia.

Es un privilegio tener a cada niña en nuestro programa, Girlstart After School, y estamos agradecidos que hayan escogido participar con nosotros cada semana. ¡Esperamos que hayan tenido una experiencia increíble este año y no duden en conectarse con Girlstart en nuestras redes sociales para compartir sus historias! Los invitamos a visitar nuestra página donde podrán encontrar contenido gratuito e información de nuestras actividades semanales.

¡Gracias y que tengan un excelente verano!
Sus amigos de Girlstart

SPECIAL THANKS TO OUR CORPORATE, FOUNDATION AND GOVERNMENT PARTNERS:

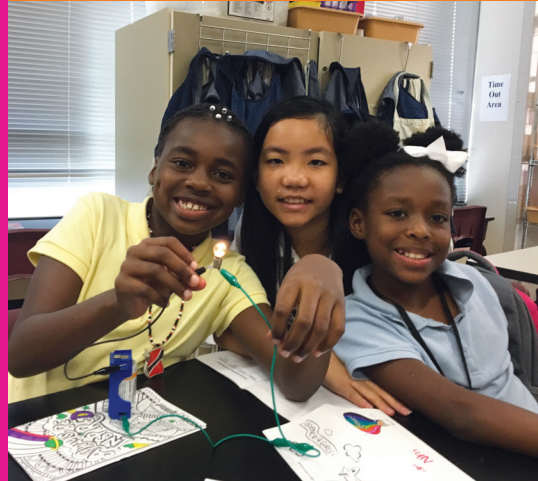

GIRLSTART GIRLS,
 WHAT AN AWESOME YEAR OF GIRLSTART AFTER SCHOOL! WE HOPE YOU'VE HAD FUN BEING BRAVE,
 CREATIVE, AND CURIOUS AS YOU LEARNED EVEN MORE ABOUT STEM. AT GIRLSTART, WE ASPIRED
 TO GIVE YOU A CHANCE TO TRY NEW THINGS, MAKE FRIENDS, AND DREAM BIG ABOUT YOUR FUTURE
 GOALS. THANK YOU FOR BEING PART OF GIRLSTART AFTER SCHOOL THIS YEAR. HAVE A GREAT SUMMER!

NIÑAS DE GIRLSTART,
 ¡QUE BUEN AÑO DE GIRLSTART AFTER SCHOOL! ESPERAMOS QUE SE HAYAN DIVERTIDO SIENDO VALIENTES,
 CREATIVAS Y CURIOSAS APRENDIENDO MÁS ACERCA DE STEM. EN GIRLSTART, QUEREMOS DARLES LA OPORTUNIDAD
 DE INTENTAR COSAS NUEVAS, HACER NUEVAS AMIGAS, SOÑAR Y CREAR METAS PARA EL FUTURO. GRACIAS
 POR SER PARTE DE GIRLSTART AFTER SCHOOL ESTE AÑO. ¡QUE TENGAN UN EXCELENTE VERANO!
